VOLUNTEERS.

Killed July 26. 1864.

NOTE 1.—*Two of these certificates (or duplicates)* are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

I certify, on honor, that James H. Taylor a Corpl. of Captain H. FINAL STATEMENT

OF

John Tentchman C F

4 Reg't of Ky Mtd Infy
"F"

VOLUNTEERS.

Died March 11. 1865.

NOTE 1.—*Two* of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out (Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 2.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to that effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other public property charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll, on which the discharge, death, desertion, &c., is reported, as well as on the final statement, whether the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for recruits.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for time, &c., of enrolment, should contain only the word *drafted* or *substitute*, as the case may be. If the Soldier is a "VETERAN," or re-enlisted, the words as a veteran, or recruit, as the case may be, should be inserted after the words *mustered into the service of the U. S.* A statement of all the installments of *Veteran* or *Recruit Bounty* RECEIVED by the soldier must be made on the back of each final statement.

FINAL STATEMENT

OF

Private James Thomas

Fourth Reg't of Ky Mtd Inf Vet

Co. B.

VOLUNTEERS.

Died Nov 8. 1864.

NOTE 1.—*Two of these certificates (or duplicates)* are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out (Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay *for the use of his horse*, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—*If the soldier is a drafted man or substitute*, the space for time, &c., of enrolled, should contain only the word *drafted* or *substitute*, as the case may be. If the Soldier is a "VETERAN," (or RECRUIT,) the words *or a veteran, (or recruit)* as the case may be, should be interlined after the words *mustered into the service of the U. S.* A statement of all the instalments of Veteran or Recruit Bounty RECEIVED by the Soldier must be made on the back of each final statement.

I certify, on honor, that James Thomas, a Private of ~~Captain~~ Lt. NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

FINAL STATEMENT

OF

John W. Thompson Co B

4th Reg't of Ky Inft Mtd

VOLUNTEERS.

Discharged 1865

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

Robert W. Shroughman a private of Captain Wm B. Riggs Company, (A) of the Fourth Regiment of ~~United States~~ Ky Vol Infantry was enlisted by James B. Bryan of the [illegible] Regiment of Ky Vol Infty at [illegible] Lewis County Ky on the 23 day of August 1861, to serve 3 years; he was born in Lewis County in the State of Kentucky, is twenty one years of age, 5 feet 2 inches high, dark complexion, dark eyes, dark hair, and by occupation when enlisted a farmer. During the last two months said soldier has been unfit for duty 61 days. *(Here consult directions on Form 13, p. 325, Medical Dept. Gen. The disease immediately followed a severe attack of measles contracted at Camp Dick Robinson Ky. He has done but little duty since December 1862

I CERTIFY, that I have carefully examined the said Robert W. Shroughman of Captain W B Riggs Company, and find him incapable of performing the duties of a soldier because of *(Here consult par. 1050, p. 264 and directions on Form 13, p. 325, Med. Dept. Gen. Reg.)* Tubercular disease of right lung which incapacitates him for performing the duties of a soldier completely. In my opinion he will never be fit for a soldier again. He is even unfit for duty in invalid detachments

VOLUNTEERS.

Killed July 29 1864

NOTE 1.—*Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other* COMMISSIONED *officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.*

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

Col,

It will be utterly impossible for me to reach the Regt. before Monday. I have just got through Mustering the men & was not get them paid till tomorrow. I shall have to make out four Muster & pay Rolls for the Veterans from our Regt. before they will pay them. You have no idea the work I have had to do on this batch of papers But the officers have all been very courteous even Fletcher. I think I shall get through paying them tomorrow. I have a check from Fletcher for the Hazelwood Certificate & will collect the money & bring it up when I come.

I will try & arrange so as to have Anderson collect the premium for the men we have with us. Capt. James Thompson 2d Artillery U.S.A. who was to have been Col. of the 2d Ky. Heavy Artillery. Is on duty here with Fletcher & Brayton. He says that neither Craig nor Bratton have any right to dispose of those men But that they are free to go wherever they choose & their immediate officers can do the best.

FINAL STATEMENT

OF

"Private" Ezra Tomlin

4th Reg't of Ky Mtd Infty

"D"

VOLUNTEERS.

Died April 9. 1865.

✓

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statements, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

VOLUNTEERS.

Died July 20 1865

NOTE 1.—*Two of these certificates (or duplicates) are to be given to each* Volunteer Soldier or drafted man who may be discharged without being mustered out. (Final Statements are never given to men mustered out of service) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for time, &c., of enrolled, should contain only the word *drafted* or *substitute*, as the case may be. If the Soldier is a "VETERAN," (or RECRUIT,) the words as a veteran, (or recruit,) as the case may be, should be interlined after the words mustered into the service of the U. S. A statement of all the instalments of *Veteran* or *Recruit* Bounty RECEIVED by the Soldier must be made on the back of each final statement.

And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

VOLUNTEERS.

NOTE 1.—*Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other* COMMISSIONED *officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.*

NOTE 2.—*If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.*

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to compose a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

1st Lieut. B. S. Tucker of the 4th Regiment of Kentucky Vol. Infantry having applied for a certificate on which to ground an application for leave of absence, I do hereby certify, that I have carefully examined this Officer, and find that he has a "Gun Shot wound" of the right lower extremity, received at the Battle of the Chickamauga, September 20th 1863, and that in consequence thereof, he is, in my opinion unfit for duty. I further declare my belief that he will not be able to resume his duties in a less period than twenty days, and would respectfully recommend that he be permitted to visit his home.

Camp 4th Ky Mtd Infty

General,

I have the honor herewith to tender my "Resignation" I have served my Country faithfully and constantly since Aug. 16th 1861. and of late greatly to the detriment of my Private affairs which I cannot longer neglect without serious injury to myself. I could have been mustered out of the service at Nashville December last. as at least three (3) officers of this Regt were mustered out at that time. in accordance with Circular No. 75. A. G. O.

But I considered it to be my duty to remain with my Regt as Gen. Hood's Army was threatning Nashville at that time. I did so. participating in all the incidents of the Campaign from Nashville to the Tennessee River. I have remained on duty with my Regt under the impression that as soon as I could with honor to myself and without injury to the service be mustered out in accordance with "said" Circular" But on application to the mustering Officer I find that I cannot be mustered out as I expected I have made all returns due the Adjt General. Ordnance and Quartermasters Department.
I am not indebted to the Government.

I therefore respectfully tender my "Resignation" as 1st Lieut. Co "K" 4th Ky Mtd. Infty.

I am Gen.
Very Respectfully
Your Obt. Servant.

Sir

There is one (William Turner) a private of my Company confined in jail at Nashville to undergo a sentence of a Court Martial. His sentence was— "to wear a ball and chain three months." He was sent to Nashville to undergo this sentence on the 19th March last, consequently his time was out on or about the 19th June. You would be doing an act of justice, besides conferring a favor, in releasing this man and forwarding him to his Company. I understand that he is in a very destitute and deplorable condition. but his punishment could not be too severe for one guilty of the crime for which he has been punished

Trusting that you will make all necessary inquiry into this case

I am Sir

Enclosure 71

Hd. Qrs. 4th Ky. Inf.
Chattanooga Tenn Dec 17th 1863.

Capt.,

I have the honor to inform you that by a Genl Court Martial which convened at Gallatin Tenn, pursuant to an order from Head Qrs 1st Div Centre 14th A.C. dated Nov 17th 1862, private Wm. E. Turner of Co E 4th Ky. Inf. was sentenced to wear a ball and chain for three months – to forfeit ten months pay, and to be fed on bread and water only, for fourteen days. The sentence was approved by the authority convening the court except so much of it as required him to be fed "on bread and water only" –

As there were no means of carrying out the sentence in camp, permission was asked and obtained to send him to military prison in Nashville. He has remained there ever since.

On the expiration of the three months, some correspondence was had by the then Comdg officer of the Regt with the authorities in Nashville, when it appeared that the copy of the sentence sent with the prisoner had been mislaid or had not arrived with him & the sentence had not been carried into execution. The movements & engagements of the army have delayed till this time the adjustment of the matter. The man has been detained in prison now about nine months and unjustly without warrant in law. I enclose a copy of his sentence & a copy of an order from Brig. Gen. Brannan issued by authority of Gen. Rosecrans. I respectfully ask of the Gen. Comdg the Post, that Private [illegible] be released and returned to duty with his Regt at once.

Capt.

I have the honor to state that Wm Van Cleve a private of Co F. 12th Regt. Ky. Vol. Inf. is now under charges for desertion, and that by order of the Genl Comdg the district, the charges are to be investigated by the Gen. Court Martial now in session in this city. The case is set for Monday the 16th inst. and I have recd a summons from the judge advocate, to appear as a witness. Three Sergts from Co F including the 1st Sergt. have also been summoned. I am temporarily in command of the Regt. and there is no other field officer with it.

The Regt. marches this morning under orders to report at the front. It is exceedingly inconvenient to leave so many non-commissioned officers from one company, & it is inconvenient for me to be detained.

The trial of the cause has not been commen-

Col:

I have the honor to report that Capt James A. Vaughan 4th Ky. Inf. has been absent from his Company and Regt. since June last. About the 20th of June he obtained against my wishes and by unusual means leave of absence for 20 days, from Major Genl. Grant. He went to his home at Lexington Ky. and there remained, sending me the enclosed Surgeon's Certif. with the papers attached thereto. During that time he was accidently wounded and perhaps disabled thereby for a few weeks. I found him in Louisville about Sept. 25th when I arrived from Nashville. He was looking well and promised me to rejoin his company at once. He accompanied the Army in the late Campaign in Ky. but did not come near his Regt. I saw him about 10 days ago in Lexington, and as he was apparently quite robust I ordered him to rejoin his Regt. A few days ago he was at Cave City and sent word to me that he was unfit for duty and would send me his resignation. He has since - as I learn - gone to Louisville

For the avowed purpose of getting Genl. Boyle or some one else to place him on detached service.

I respectfully ask that he be mustered out of the service, as he is only trying to cling to it in order to draw the pay and allowances while he *shirks* the duties incident thereto.

I ask farther that his discharge from the service be made to take effect from the 1st of Oct - at which time I know from personal observation that he was able to report to his Regt, and *before* which time he *promised* me to do so. He has *earned* no pay - why should he *draw* it?

Trusting that my wishes in the premises may meet the approbation of the Commanding Genl, I have the honor to subscribe myself,

Very Respy

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistments of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, premium, &c. I forward herewith an application to the Adjt Genl of the Army, to have Private Saml A. Wade of my company admitted to the Hospital for Insane Soldiers at Washington. With it are enclosed the Surgeon's certificate and the descriptive Roll and account of pay and clothing required by Genl Orders No. 98 of 1862 from the Hd. Qrs. of the Army to be sent with such applications.

I respectfully ask that pending the return of that application, the Genl Commanding order the admission of Private Wade into the Tennessee Asylum between here and Nashville. He is running at large is dangerous to his comrades and himself and it is difficult to keep him in restraint. and to do so brings on an access of his disease.

La Vergne Tenn April 29th 1863

I certify That I have carefully examined Samuel A Wade a private of Co. I 4th Regt Ky Vols Inft & That it is my opinion he is periodically insane. He has been under my charge for nearly two years & at different periods during that time has been undoubtedly insane. From careful inquiries of those who have known him for years I have no doubt he has suffered from the disease more than five (5) years. During the intervals between the paroxysms he is docile & harmless but dangerous when under the influence of the disease. Since the 20th of February last he has grown decidedly worse and I think it safe ~~that~~ he is removed to some asylum

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the mustering officer (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. FINAL STATEMENT

OF

Pri William Watton

4th Reg't of Kentucky Mtd Infy

Co H.

VOLUNTEERS.

Died Feb 5. 1863.

NOTE 1.—*Two of these certificates (or duplicates) are to be given to each* Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates, on these certificates the Soldier is "entitled to" his discharge and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements and endorsed with a statement to that effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is that the remaining portion of the Soldier's account may be settled upon the receipt of those muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statements, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

FINAL STATEMENT

[illegible]

OF

William Walton [illegible]

4th Reg't of Ky Infty (Mtd)

Co E.

VOLUNTEERS.

Died Feb 5. 1863.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "[illegible]" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

Respectfully forwarded. The within case is an evidence of the evil effects of a pernicious system which was permitted in this Department of granting what were called discharge furloughs. The whole history of the case is contained in the within papers and I cannot determine whether the man is yet legally in the service of the United States or not. I would direct him to be taken up upon the rolls as having joined from an authorized absence from the date of his return with forfeiture of pay during his absence but a doubt arises whether he is at all in the service. On the other hand being sent to his home by authorized agents of the Government to await a discharge in accordance with a system sanctioned by the Commanding General of the Department and they having failed to perfect the discharge, is he not entitled legally to pay during the whole time that he was away? His officers seem to have been highly culpable and negligent under a very objectionable system. Is not the Government bound by their acts?

Chattanooga. Jan. 16th 1863.

Major.

I respectfully submit the following case for the consideration of the Genl Commanding the division. Jn. T. Ward, a private of Co. H in this Regt. was sent to Nashville to General Hospital while the Army of the Ohio was on the march from Columbia to Shiloh in the first part of April 1862; from there he was sent home on furlough to wait his discharge, April 12th 1862. He was dropped on the muster roll of his Company for April 30th 1862, as discharged April 27th 1862 & marked discharged with date left blank in the company descriptive book. No other record of his discharge can be found. The course was then to give men discharge furloughs, as they were called, & then notify their Co. commanders to forward their discharge papers. The officer then commanding Co. H seems to have dropped Ward as discharged, upon receiving that notice. He was returned to the Regt a short time since, and brought with him, the furlough and incomplete final

Statements. He says he has long been restored to health and is willing and anxious either to reinlist if he is decided to have been properly discharged or to serve out his original term, if not -

As he seems to have been without blame in the matter I respectfully ask that he be ordered taken up on the rolls and returned to duty with the loss of pay and allowances from April 27th 1862, the date at which he was dropped as discharged to Dec 31st 1863 the date of his return to the Regiment.

I enclose the furlough and final statements.

I am Major

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.
